

GTCC Summer Institute 2017

Workshop 1704	
TITLE:	<i>Making the Most of Your Year: Planning your school year for organization and success.</i>
DESCRIPTION:	Time! Educators never have enough time to plan and organize their year. In this workshop, we will work on designing a successful curriculum plan for your grade level (K-6) that matches up with current Montana CCSS. We will learn some ways to organize and plan materials for the upcoming year to make your year the best year ever. Educators will have the opportunity to visit with other teachers at their grade levels to come up with lesson plans and units. There will be TIME to plan and work, and educators will also learn some tricks to make your school day/year wonderful.
