

GTCC Summer Institute 2017

Workshop 1712	
TITLE:	<i>(DIVE) Differentiating Instruction Very Efficiently</i>
DESCRIPTION:	DIVE into this fun, engaging summer workshop. Learn to create instructional strategies to accommodate the full range of ability and intelligence in your classroom. Come away from this session with the ability to engage and motivate your students with relevant, responsive and related lesson designs. Experience whole-class instructional strategies that differentiate and examine various online or hands-on teaching tools. Find out how technology can help you differentiate. This training emphasizes the practical "how to's" of differentiation so that participants walk away with the knowledge to begin differentiating instruction in the classroom right away.
